Relax, Discover, Celebrate

WEDDINGS

For an intimate wedding (or with a larger number of guests!) in a romantic, luxurious setting, the choice is yours at Château Le Buisson-Garembourg. With freedom to choose your own service providers, and with competitive tariffs, you can experience the day you always dreamed of.

Nestling in the heart of a park and forest of over 37 acres, just 4 km from the historic town of Evreux, Château Le Buisson Garembourg is very accessible. Ideal for wedding guests, who will enjoy the unique atmosphere, beauty, peace and tranquility, whilst in easy reach of transport links.

The charm begins upon your arrival in the park, approaching the Château via a driveway lined with large conifers decorated especially for your event.

Then, to make your day unforgettable, elegant Château rooms await for your reception and you will find an enchanting chapel for your religious ceremony. Your ceremony and celebrations can also be arranged outside, set in the beauty of the forest and park. We also offer a play area for the children.

Finally, accommodation for 50 guests is offered, with a bridal suite for the newlyweds and several suites/studios for the family and guests of honour.

OPTIONS AND PRICES

We love the intimate nature of our estate and we want to offer the best personalised service to our guests. That's why we favour medium-sized weddings so that the comfort and quality of our welcome is up to your standards, which are also ours.

The function rooms have a capacity of 80 people sitting in both rooms, or 60 in the main hall. You will notice that we have very preferential rates for weddings of fewer than 60 guests.

We can also, if you wish, raise a marquee in the park, increasing the capacity up to 150 guests.

You have complete freedom to call on your own providers; nothing is imposed. We will also be very happy, if you wish, to assist you in organising your wedding by recommending our service providers (caterers, tent rental, hairdresser, photographer, DJ etc...). Our mission is to ensure your comfort and that of your guests and the safety of all (guests, staff and your potential providers).

You can choose several rental options for your dream day. Our rates vary according to four criteria: **the number of guests, accommodation included or not, the season, the day of the week.**

1. Rates and services included vary **depending on the number of guests**. The Château is ideally equipped for seating 60 dinner guests, without any additional rental costs.
2. You have the option to **hire the estate without accommodation**. The bridal suite is always offered to brides and grooms. Your guests may make their own bookings, if they wish, at our château or in Evreux, the nearest town (4km).
3. You can have an extraordinary celebration **at very reduced prices if you choose the low season option**.
4. If you decide to celebrate your wedding **during the week**, the price is reduced compared to the weekend.
